Stations outside Greater London have grey text.

OVERGROUND ORBITALS

- R25: The R25 route is an outer Overground orbital.
- W E: The inner orbital link Highbury to Clapham Junction.
- SE: SE joins up R25 for a rail "South Circular"

This diagram is based on the "London Infrastructure Plan 2050" report. Stations marked * are estimates.

Alternative routes from the report are dotted lines. New Overground lines are light orange.

Map by Briantist after Mr Beck and TFL for London reconnections.com
